

# Make Alligator Clothespins

## WHAT YOU NEED

- ✓ Wooden clothespins
- ✓ Green and black markers or paint
- ✓ Googly eyes

## WHAT TO DO

1. Use the green markers or paint to make the wooden clothespin completely green.
2. Once that has dried, glue two googly eyes at the closed end of the clothespin.
3. Use the black marker or paint to add decorations (teeth, nostrils, scales, etc.).
4. Oh snap! Now you have a little Mango or Brash pin!
